**PRESIDENT'S REPORT
SCOTT RENTSCH**

We're back for another season of footy and netball and I would like to welcome you all here today, particularly the new players and families to our Club. We host Ararat today in round 1 for the start of season 2022 and we're looking forward to seeing many competitive games. I would like to wish all players a very successful day. We are proud to be able to have teams in each and every grade of football and netball. Many thanks to all our Coaches for their dedicated efforts to date with pre season training and practice matches. During the off season we have created our new Club website, penshurstfnc.com.au which is up and running. We are encouraging everyone to go in and have a look where you will find a very user friendly site to navigate around. There are links to pay your Club Membership along with football and netball registrations. You will also find the League Fixtures, Social Calendar, Board Members details, Club history and other helpful information. Socially we have a busy year ahead so keep an eye on our social calendar so you don't miss out.

Many thanks also to today's football and netball umpires and all the volunteers that have assisted in any way. Rosters for the canteen, gate, cleaning etc. will be prepared shortly which will enable the workload to be shared, so I encourage all players and members to contribute to the operation of our Club as many hands make light work. Finally and most importantly, I would like to sincerely thank our Board Members for their dedication and commitment to the Club, they meet each month and keep the wheels rolling for this Club to be a successful and enjoyable place for all players, supporters & members.

Please enjoy the day, the opportunity to play and support your teams and we invite you to join us in the Clubrooms to enjoy a refreshment together at the end of the day.

Go Bombers!

Famous Quote from Greg Murphy - V8 Motor Sport Legend

"Ask yourself - how much do you want it & how much are you prepared to put in? If you want it, you have to go above & beyond, don't expect it to be handed to you; Go and chase it, sometimes it will work, sometimes it won't, but you don't want to have any regrets"

**It's never you,

Everyone in the community is connected. You work together, play together, support each other. So, if something happens to someone, it is felt far and wide.

No one is bulletproof - you may know your land like the back of your hand, but incidents can happen to anyone.

And when they do, they don't just affect one farmer, incidents can affect the whole community.

Proudly supporting country footy & netball and farming communities.

PATHFINDER

**SENIOR FOOTBALL COACH
 RONNY PENNY**

After three full preseasons for only 12 games of footy in the past two and a half years, to say that we are looking forward to round 1 would be an understatement!

A long but meaningful preseason sees a similar list to last year with the addition of our new Assistant Coach Jayden Watson, a home town boy who has come on board with a wealth of experience and success from the Hampden League powerhouse, Koroit. He's implemented standards which have been backed up and supported by the playing group and helped form a slightly new game style which we've been working hard at on the track. We are fitter, stronger and more experienced this season and ready to perform to our optimum.

I'm proud of the commitment shown by the group this off season, a team of predominantly locals or players with long standing connections which speaks volumes to the culture of this storied and proud Club.

Kieran Neeson will lead us on field as our Senior Captain in 2022 again after an excellent job last season, with an expectation that all players will play an important part in driving our ethos & the upward direction of the Penshurst Bombers in 2022.

Go Bombers!!

A MESSAGE FROM OUR WORKSAFE PARTNERS

Let's look out for our farmers

Footy and netball are finally back for 2022 and WorkSafe is proud to continue its decades' long partnership with AFL Vic Country.

Community sport continues to be vital to our health and wellbeing; an opportunity to connect with friends, family and team mates on and off the field or court. The competition and comradery of weekend sport unites us and gives us a sense of community.

And it is this sense of community that makes our partnership with footy and netball so valuable. It is our opportunity work alongside local clubs and leagues to promote workplace safety and appeal to rural and regional Victorians to look after their mates at work. When our workers are safe, we'll see them on the field, on the court and on the sidelines. Doing what they love, together.

Safety on farms

In country areas we know a large part of staying safe at work is staying safe on farms. Yet tragically, too many workers are being killed or seriously injured on farms every year. In fact, 14% of workplace fatalities are in agriculture, despite farms accounting for just 2% of Victoria's workforce. As a community, we simply must do better. We owe it to those lost and to those left behind. Farmers know their land, livestock and machinery better than anyone, but that doesn't make them bulletproof. We know the "it'll be right" attitude that is common in agriculture can have deadly consequences. We also know that experienced farmers are suffering serious incidents, and that if safety is not a priority, experience alone isn't enough to prevent a tragedy from occurring. Our *'It's never you, until it is'* agriculture campaign highlights that deaths and injuries on farms are preventable, not inevitable, and encourages farmers to treat safety improvements like any other improvement in their business. This campaign isn't about us telling farmers and those in the agriculture industry what to do, but reminding them that life changing incidents can and do happen. You can prevent these incidents by making safety a priority. And you most certainly can prevent deaths. Our farmers are the lifeblood of our community and we need to support them in every way possible.

See you at the Country Club

Together with our partners at AFL Victoria and Netball Victoria, WorkSafe will host six Country Club games this year throughout the state. If we are in your area, come and see us, have a cuppa and help us encourage all farmers to rest during long hours on the land. Fatigue isn't just about being tired, it's pushing your body beyond its limits, day after day. It impairs reaction times, concentration, and the ability to think clearly. That's why taking a safe-tea break is so important. We'll also be calling on all clubs to nominate their favourite farmers to go into the running to win some great prizes for their club and the farmers themselves. Let's not just kick goals on the field or shoot goals on the court this season - let's work together to change the score in agriculture. Because these are not just numbers - they are our sons, daughters, fathers, mothers, grandparents and team mates.

They are someone's family, and I know together we can all make a difference.
