MOYSTON/WILLaura**

Welcome to Moyston/Willaura, who have travelled South to be our guests/opponents for the day. We hope you can hang around after the day's play and enjoy a drink & chat with us.

We are 3/4 of the way through the Home & Away season with only 4 games remaining. Finals for those lucky enough to make it are within sight and I think it's prudent to remind everyone, that not only are you playing for your teammates & coaches, but also all the volunteers and members of the club. For every hour of playing or training there would be at least 10 volunteer hours required to make it possible for the club to function.

Another unfortunate part of being involved with finals and having good player numbers is selection/non-selection. I'd implore all players to do everything they can to prepare well, train well, recover well and give themselves the best chance of being selected on form. To those that do miss out, while it might hurt at the time, the best thing you can do is be a good teammate and support everyone who is on the field/court and the coaches. There are plenty of ways you can meaningfully contribute without actually playing!

Since the last home game we've had 2 away games and outsourced our nightly presentations to the Mortlake pub and Caramut pub. Both pubs were great hosts and we thank them for a great meal and hospitality. Thanks also to the social committee for organising and promoting. We've still got presos at Woolsthorpe pub coming up after we play in Hawkesdale so let's make sure we get behind that!

Also, just a reminder that our \$150K in 150 Years fundraiser is still running. We are just over half way to our target and the campaign will continue until we get to our goal!

Under 12

Do yourself a favour and watch our super star under 12's today....they've had an absolutely cracking season so far and the future looks bright for these boys. Move over Josh Rentsch, Aaron Glare and Jayden Watson...I've got a couple of boys looking to take your spots!!

There ability to move the ball around the field is second to none and their transition football has been exciting to watch. The way they share the ball around and respect the opposition is quality football and great to watch.

The boys are pumped for a big game today and looking to showcase their silky skills, tackling and goal kicking ability. Their defensive pressure and team attitude are first class and something I'm super proud of.

The future of the bombers is in great hands and its been my pleasure to coach these young bombers.

Cheers Josh

Under 16.5's

We had a very slow start season, but the boys have made improvements with a couple of wins along the way against Hawkesdale-MacArthur. Three games against Glen Dunkeld hasn't helped the percentage but we are hoping for a good run home in the last three games of the year. Unfortunately, I won't be coaching this weekend because of an indiscretion at Glen Dunkeld but the boys will put up a solid contest in good spirit against Moyston Willaura. Knox Ellis will miss the remainder of the season with a broken arm after a collision at training.

Having won the last two grand finals, it was always going to be a tough ask this year given the number of good players gone up through our senior team. That said we are still a possibility to make the final top five. Fingers crossed with a couple of wins we can get there even if it only means playing the first week in the finals.

Yours in footy,
Coach Frank

RESSIES 3/4 RAP - By Coach Lappo

Chapter 1 Enter Sandman (Enter Stengle)

Round 1 to 4, The title Says it All!! It is the Rock n Roll, head banging rollicking start that we got from yes you know it, enter Anthony Stengle!! The quietly spoken off the field, but on the field let his footy(goal Kicking) do the talking. Stengle took the first 4 rounds by storm kicking 28 goals to hit the ground running, 4 tallies of 7, not to mention the amount of goal assists he was involved in. It was quite the start for the ressie side, an excitement not seen in quite some time running around in the 12:00 game, it brought crowds through the gates as they were in awe and rode every bump, leap and craftsmen Antman shown.

It was a dream start for the guys, after a solid preseason, wins against Caramut, Moyston, Hawkesdale and Tatyoon had the boys up and about. Not only was it the attack kicking goals, it was Craig "Potsy" Jackson giving our mids first use, and when we lost an ever reliable and strong Back 6 time and again thwarted any scoring chances for the opposition. The team led by Sam "nutsy" Wilson and Andrew "choppsy" Vella had plenty of voice and determination on board, with players gaining confidence each week and players gaining more fitness, Noah "Nog" Cameron in particular, the side settled in well to a 4 and 0 start.

Chapter 2 Happy "Pharrell Williams"

Again, I've gone with a music theme for chapter 2, "HAPPY" Rounds 5 to 8, after a neat start to the year another block of 4 games were played against SMW Rovers, Great Western, Lismore Derrinallum and Glenthompson in the annual Indigenous round. With these 4 matches the guys knew they had to be at their best, because at the time 3 sides were unbeaten in ourselves, Glen and Lismore, we knew our A game had to be present and present it was. Wins against all 4 left the Bombers atop of the ladder and as Pharrell's Song suggest "Happy" was amongst us all.

These matches were eagerly anticipated with excitement and bring it on mentality, which the guys grabbed with both hands. Changes aplenty for each game, meant opportunities arose for some, and our theme all year has been 1 for 1, 1 goes out, 1 comes in and we have full faith and confidence that those replacing whoever will get the job done, and that our team first mentality shapes well.

With Big Archie Bennet, Oscar "Big Daddy", Tim "Rowdy" Smith, Mitch Williams, Alex "Silk" Clemmans all going down with injury it meant others to step up and our depth has certainly been tested. Noah "Chef" Mulley, Jake "Musso" Musson, Bunj "Jumping" Lovett, Joe "running man in more ways than 1 these days" Page, only to mention a few step up and led the troops around the ground, Amazing efforts by the guys over these 4 rounds to go 8 and 0 it certainly was a Happy Feeling for all.

Chapter 3 Times Like These " Foo Fighters"

Rounds 9 to 11 were again another tough block, and again I take you to a song "its time like these" by the Foo Fighters. Its time like these when resources are stretched, player depth is tested and you are constantly questioning how, who and what. Well it has tested us again, and its time like these that these guys again have stood up under immense pressure. With matches against Ararat, Lake Bolac and Woorndoo we knew another tough part to the year was upon us, all physical sides, all play with plenty of energy. We did well, winning 2 and losing to a strong Bolac side who to their credit, were better and hungrier on the day. A valuable lesson for our guys that on any given day anyone can be beaten. With players missing through holidays, injury etc., depth again tested and in the Foo Fighter's song, you learn to live again, we certainly have learnt again. With makeshift forward line, ruck department, Back 6 we have had to learn to adapt and adapt quickly. With the usual suspects of Musso, Nutsy, Wetsuit, Potsy, Jake Bates Gilby (Nickname Needed), Joey and Bunj doing what they do, it has been the unsung heroes that have held up strong. Hamish Murrhy, The Pom, Nico Casey the Lovett twins, as well as cameo performances from Funk and Wilson, yes you heard me right! It has been a team mentality, and players playing their role for the team, we have learnt to live again and its times like these that we galvanize and become stronger.

Chapter 4 Lose Yourself " Eminem"

With 5 rounds remaining we are sitting on top of the ladder, with the number 1 defence and number 1 attack in the comp, its been a brilliant start by all, and with more players returning from injury there is so much to look forward to, we look forward to the challenges that lay ahead of us. On behalf of the guys, I want to say a huge thanks to the Penshurst Support that the guys receive each week. The pats on the backs and the cheering we hear, it means so much to us, that you are in this, with us together.

We hope this isn't the last chapter written in the season and you can all think of songs etc. that you may sit fit, but ill leave you with 1 by Eminem " Lose Yourself". "You better lose yourself in the music, the moment. You own it, you better never let it go. You only get one shot, do not miss your chance, This Opportunity comes once in a lifetime, yo you better. Let's live on these words, play hard, play strong and seize the opportunity.

Discipline, Courage, Trust, Teamwork and RESPECT.

Elliot

NETBALL 3/4 SEASON REVIEW FROM OUR COACHES

Leah Mirtschin - A Grade Coach

This season has seen some mixed results for the A grade team. With just two players remaining from our 2023 team, we've gathered a squad comprised with a combination of experienced A graders and newbies.

We've formed a number of new combinations in our attack end that've really started to trust and work well together. With goalies Erin Kinnealy and Katherine Rentsch (18&U) combining well with Libby Rentsch who's been playing between goals and WA, and Libby Fox finding herself hitting the top of the circle in WA too.

Sinaed is having another incredible season running the C creating both a strong drive and defensive effort for us having had last season off after birthing her beautiful daughter Poppy.

Defensively we've been having a great season with Mikayla Beavis joining our club this year floating between WD and GK, working with Sophie Rentsch who's been fast and strong in the air in GD/WD when she's uninjured. We've also seen Brooke Rentsch and Misha Wear (18&U) play their first A grade games slotting into the defence end seamlessly in a number of positions.

Although we have struggled with consistency and unfortunately missed those crucial wins over the Rams, Demons and Hawk/Mac which ones leaves us in the mercy of the Rams to see if we'll play finals this year.

It's been very encouraging though when given full games to see our under 18 players feature in the best. With an overall young A grade side we're seeing some very promising games from the youth in our club and they're all stepping up to the pace and strength that it takes to be an A grade player. I'm very excited for the club to see what these players can produce in the coming years!

Karen Ewing - Under 13 Coach

With a brand new U13 team this season, we have many girls hitting the court for the first time. The girls are constantly improving and showing great determination and passion for the game. Our U13's have been competitive this season with a few close games and wins on the board. Keep up the great team work girls, we look forward to seeing your continued improvement throughout the season.

Erin Kinnealy - C Grade Coach.

As we tick over into the back half of this season, the C Grade netball team has shown commendable performance, securing 6 wins thus far. This places us at 7th position on the ladder, reflecting our progressive improvement and determination on court. Looking ahead, we face a challenging draw leading into finals which will test us. However, it also presents us with valuable opportunities to continue to improve our game against the stronger opponents.

Despite the ups and downs of the season, each player's dedication and hard work is crucial as we strive to climb higher in the ladder and secure a position for finals.

Let's continue to support each other both on and off the court, maintaining our positive momentum and pushing ourselves to achieve our best! Together, we can make our mark in the remainder of the season!

Emily Huglin - B Grade Coach

B Grade has been building into the season, with a side full of youth and new faces who have been learning how each other plays as we go. Unfortunately we had a couple of key injuries early in the season impacting the team and numbers, but the girls have done a fantastic job with filling positions and dealing with changes throughout the season so far. The team has started to find their feet in the latter part of the season, continuing to develop together and overall playing a great team brand of netball. The girls have shown they are all extremely versatile and eager to learn, making coaching them a very rewarding and enjoyable job. With 4 rounds to go it is a very tough road ahead for the girls to make finals, as we rely on other results, however we still have a great opportunity to continue developing the squad and play the brand of netball we have been aspiring to all season. It is exciting to watch this squad come together and look forward to seeing what they can produce for the rest of the season. Let's go girls!
